“ *Butch was a wonderful person. He loved his music and his favorite song was my girl. We would sit down after supper and talk and after he got his snack he would always ask me to play his song before he would go to bed and I did. Butch will be missed by many friends at the home. It's not the same since he went to the Lord.*

“ *Our condolences to Butch's family and friends. Our names are JW and Debbe. We met Butch when our Aunt Virginia Jones was a resident at the Middletown Home. While at the Middletown Home, we never had to worried about our Aunt's well-being because Butch always looked out for her and made sure she was alright. Butch was truly God Sent and the family will forever be grateful to him. Many will truly miss Butch's Zeal for Life. We Love You and Rest Well Butch!*
