“ *If tears could build a stairway,
and memories a lane.
I would walk right up to Heaven
and bring you back again.*

*No farewell words were spoken,
No time to say “Goodbye”.
You were gone before I knew it,
and only God knows why.*

*My heart still aches with sadness,
and secret tears still flow.
What it meant to love you –
No one can ever know.*

*Since you’ll never be forgotten,
I pledge to you today
A hollowed place within my heart
is where you’ll always stay.*

*Your loving daughter,
Erika*

“ “Chill Will” was more than an uncle, he was a big brother, friend, mentor, and more. His oil paintings were the reason I took a passion for art. Thank you for showing me what “cool” is and for all that jazz!! He was the epitome of cool, let the music play bro! Love ya...

“ *My Uncle William was a gentle giant to me when I was growing up. Every time I saw him, he would pick me up and except for my daddy (Ralph Orville), I thought my Uncle William was the strongest man I knew. Time and distance can never dim the light and love of family.*

Rest well Uncle William.
