“ *What can I say, he's a gentle giant that always was very kind and generous to everyone. I remember the first time I met him and we shook hands. The man's demeanor and kindness shown through right away. I felt like part of the family and will always remember the times I spent at your home. You'll truly be missed and I'll see you again around the bend. Keith.*

“ My sincere condolences to "Fergie's" family and all of his close friends. I remember Fergie (albeit a few years behind him in school) as one of the Rollers' gentle giants who was a pillar of fear on the gridiron, but easy going off the field. RIP Roller and may God Bless you always.
