“ I will never forget your kindness(dropping me off to work and picking me up, playing my favorite songs to cheer me up when I felt homesick). You not only welcomed me and made me feel at home, but you extended the same to my friends. I will always cherish the many lovely celebrations, amazing music that kept us dancing through the night, the barbecues (no one can outmatch your BBQs)....

You have created so many happy memories for me and our entire family.

May you rest in perfect peace.

“ *Uncle Nannes meant so much to our family and touched many people in his life through his intelligence and acts of kindness. He was a best friend to my Dad, loving brother to my Mom, tech inspiration to my brother, and a connoisseur of music/chef inspiration/birthday twin to myself. Thanksgiving and Christmas Eve will never be the same but we will keep his memory alive with perfectly cooked Turkey and ham, classic tunes playing (most notably Dolly Parton on Christmas), and family/friend gatherings.*

*Nannes, thank you for the many memories you gave us. You will be deeply missed.*
